

# Lord, I Pray

1 Lord, I pray, if to - day some should wrong or trou - ble me,  
2 Should there be joy for me, help me thank you as I should.  
3 If this day I should stray, show my heart the road to take.

make me kind; bring to mind  
Let me through all I do  
Should I fear, please be near;

your for - give - ness makes me free.  
praise you, Lord, for all things good.  
hear my prayer for Je - sus' sake. A - men.
