Festive Reproducible Carol Arrangements for Handbells or Handchimes

Douglas E. Wagner

Level 1 • Fourteen popular carol tunes are presented in seven creative medleys, designed to cheer and inspire congregations and concert audiences. None of these titles present undue technical demands, and ringers will encounter neither accidentals (bell/chime changes) nor subdivisions of the beat. Each arrangement is a fresh-sounding gem, solidly scored to foster confident ringing, and quite easy for any ensemble to prepare quickly.
