ABOUT THIS COLLECTION

In this powerful collection, Mary expresses her faith—and allows you to sing the same—with a mixture of traditional hymn arrangements and uplifting and heartfelt originals. Like its best-selling predecessor, *He Keeps Me Singing*, all of the selections feature a written piano accompaniment that bears the stamp of Mary's signature keyboard style. As an added feature, all of these accompaniments have been orchestrated, and those tracks are provided on the included CD. You won't want to be without this collection when choosing repertoire for a concert or programming a solo in worship at any time in the church year!
