

SAB/Two-Part Mixed

Journey to the Cross

Remembering Christ's Sacrifice of Love

The final days of Christ's earthly journey span the spectrum of human emotion: from joyous hosannas by adoring crowds to painful rejections by His closest friends; from lonely moments of agony in a solemn garden of prayer to euphoric resurrection alleluias in front of a borrowed tomb. The journey to the cross was life-changing for those who witnessed it firsthand. The impact of that journey is still life-changing as the compelling message of the Christ of that cross continues to impact our lives today.

Journey to the Cross is a versatile collection suitable for a variety of uses during the Lenten season. Each of the five anthems may be used individually to enhance worship services during Lent and/or Holy Week. The five anthems may be combined by using the optional narration to create a mini-musical appropriate for a special choral presentation during Holy Week.

The SAB or Two-part Mixed voicing provides an ideal resource for smaller choirs or ensembles. Even larger choirs seeking additional options for the busy Lenten season will find this to be a worthy consideration. *Journey to the Cross* is a poignant reminder of our Lord's love, sacrifice and ultimate victory over death.

Performance time: approximately 20 minutes
