A Star in the East

Captivating Piano Settings of Traditional Carols

About this collection

For many years, Donna Robertson has delighted her listeners with charming and innovative arrangements of hymns and carols. Her first Christmas collection for piano features distinctive treatments of holiday favorites. Beginning with the haunting old American tune *Star in the East* and ending with a sprightly arrangement of *We Wish You a Merry Christmas*, this book is filled with artistic arrangements that would be suitable for concert as well as church use.
