Intermediate • We are delighted to offer Faye López's first piano collection with Lorenz, *Walk Worthy*. Faye is a talented teacher, performer, and arranger who enjoys exploring all corners of the sacred repertoire, so it is not surprising that you will find familiar hymns in striking new settings alongside three popular choral anthems skillfully arranged as piano solos. These artistic, creative pieces will find lasting places in your repertoire, and, because they were written by an experienced teacher, they fit well under the hands and are easy to prepare.
