Easy Hymn Arrangements for Every Season

Moderately Easy • It takes a special skill to write music that is easy to play but still sounds pleasing and musical to the ear. Sandra Ethun is an arranger with that skill, and her first book, All Things Bright and Beautiful (70/178L), found a large and appreciative audience. Here she applies her talents to the Christmas repertoire. From the quiet moodiness of the Bleak Midwinter and O Come, O Come Emmanuel to the jazz-tinted Bring a Torch, Jeannette, Isabella, you’ll find a wide range in this collection, ideal for students and intermediate level adult players.

Bring a Torch, Jeannette, Isabella • The First Nowell • Infant Holy, Infant Lowly • In the Bleak Midwinter • O Come upon the Midnight Clear • Joy to the World! • O Christmas Tree • O Come, O Come, Emmanuel • Silent Night • Still, Still, Still/Away in a Manger
