Give to Our God Immortal Praise

1 Give to our God immortal praise:
   He built the earth, he spread the sky,
   He fills the sun with morning light;
   He sent His Son with power to save
   Through this vain world he guides our feet,

   mercy and truth are all his ways;
   he bids the starry lights on high:
   from guilt and darkness and the grave;
   and leads us to his heavenly seat:

   wonders of grace to God be long;
   wonders of grace to God be long;
   his mercies ever shall endure,
   wonders of grace to God be long;
   his mercies ever shall endure,

   repeat his mercies in your song.
   repeat his mercies in your song.
   when suns and moons shall shine no more.
   when this our world shall be no more.
