The First Noel

1. The First Noel, Noel, Noel, Noel, Noel,
   Noel, Noel, Noel, Noel.
   Let us offer hymns of solemnness;
   Let us sing with voices sweet;
   Let us render praise and honor;
   Let us take the first Noel.

2. They looked up, up they looked up,
   With the light of that same star shining.
   'Twas the night when Jesus was born
   Through their shepherds in fields they lay;
   Where they lay keeping their sheep,
   Noel, Noel, Noel, Noel.

3. And the star, the star, the star
   Drew nigh to the north-west,
   Where the wise men three, full of wonder
   Seek for a king, their heart and hope,
   Their search would bring them to that place
   Where Jesus lay; Noel, Noel, Noel, Noel.

4. This, this, this, this, this, this,
   Entering in all with one ac-cord singing,
   They said, "Go tell it on high;
   And they gave their soul's goo-d life;
   Both of their stay and their right
   Noel, Noel, Noel, Noel.

5. Then, then, then, then, then, then,
   In the land of their own they lay;
   With their rest and their sleep,
   There they lay, Noel, Noel, Noel, Noel.
   We, we, we, we, we, we,
   Noel, Noel, Noel, Noel.

6. Then, then, then, then, then, then,
   In the land of their own they lay;
   With their rest and their sleep,
   There they lay, Noel, Noel, Noel, Noel.
   We, we, we, we, we, we,
   Noel, Noel, Noel, Noel.

Refrain

The night that was so deep,
   No-el, No-el,
   Noel, Noel, Noel, Noel,
   Noel, Noel, Noel, Noel.
