Love Divine, All Loves Excelling

1 Love divine, all loves excelling, Joy of heaven to earth come down, fix in us thy humble dwelling,
extended breast; let us all in thee in heart.

2 Breathe, O breathe thy loving, Spirit into every life receive; suddenly return, and never,
nexter.

3 Come, almighty, to deliver, let us all thy tempes leave. Thee we would be

4 Finish then thy new creation, pure and spotless all thy faith-ful mercies crown. Jesus thou art

Let us find the perfect-ly re-stored in thee: changed from glory

All compassion, pure, unbounded love thou art;
Always bles-sing, serve thee as thy hosts above,

Apostle and Om-ega be;
Into glory, till in heaven we take our place,

Visit us with thy salvation,
End of faith, as its beginning,

Till we cast our crowns before thee,

Enter every trembling heart,
Glory in thy perfect love.

Lost in wonder, love, and praise.
