O Blessèd Savior, Lord of Love

Maltbie Davenport Babcock, 1899

1. O blessèd Sav ior, Lord of love, Leav-ing for us Thy home a-bove,
   How can we show our love to Thee, When Thou a lov-ing deed dost see,
   “Smile with the glad, grieve with the sad, Gen-tle, and thought-ful, and lov-ing be;
   Friend-ly in need, and kind in deed; I count it all as done to Me.”

2. All of our gifts have come from Heaven, Our home and friends Thy love has given;
   If we could see Thy bless èd face, How should we thank Thee for Thy grace?
   “Lo, ye have done it un-to Me.”

3. Heath-en up-on the dis-tant shore, Hun-gry and need-y at our door,
   Sin ning and suf-fer-ing ev-ery where, Thou hast com-mit-ted to our care.
   “Friend-ly in need, and kind in deed; I count it all as done to Me.”

4. Hum-bly we thank Thee, bless èd Lord, For this the com-fort of Thy word,
   When thou a lov-ing deed dost see, “Lo, ye have done it un-to Me.”
   “Friend-ly in need, and kind in deed; I count it all as done to Me.”
