$\text{♩} = 97$

1. Whis - per a prayer in the morn - ing, Just at the break of the day;
2. Whis - per a prayer at the noon - time, Pause in the midst of the throng,
3. Whis - per a prayer at the twi - light, Af - ter the day's work is done,

Why fear the fight, in your bat - tle for right, When you know He will lead all the way?
Look un - to Him who can con - quer all sin, In thy weak - ness, in Him thou art strong.
No o - ther friend will prove true to the end, Like Christ Je - sus, the Cru - ci - fied One.

Refrain

Whis - per a prayer, just whis - per a prayer, Ev - en a whis - per He'll hear o - ver there;

Vic - tory is thine, in His love so sub - lime, When to Je - sus you whis - per a prayer.
