Joyful, Joyful, We Adore Thee

1. Joyful, joyful, we adore thee, God of glory,
   Lord of love, hearts unfold like flowers before thee,
   open ing to the sun above. Melt the clouds of
   sin and sadness; drive the dark of doubt away.

2. All thy works with joy surround thee, earth and heaven redeem
   Lord of heaven, depth of ocean depth of rest! Thou our Father,
   ocean depth of happy rest! Thou our Father,
   Christ our Brother, all who live in love are thine; teach

3. Thou art giving and forgiving, ever bless ing,
ever blest, well-spring of the joy of living,
   binding all within its span. Ever singing,
   ever singing, ever singing, ever singing.

4. Mortals, join the mighty chorus which the morning
   stars began; love divine is reigning over us,
   binding all within its span. Ever singing,
   march we onward, victors in the midst of strife; joy-

5. Joyful, joyful, we adore thee,
   Lord of heaven, depth of ocean depth of rest! Thou our Father,
   open ing to the sun above. Melt the clouds of
   sin and sadness; drive the dark of doubt away.

6. Joyful, joyful, we adore thee,
   Lord of heaven, depth of ocean depth of rest! Thou our Father,
   open ing to the sun above. Melt the clouds of
   sin and sadness; drive the dark of doubt away.
