Immortal, Invisible, God Only Wise

1. Immortal, invisible, God only wise, in
light inaccessible hid from our eyes, most blessed, most
magnificent, nor wasting, thou rulest in might; thy justice like
all life thou livest, the true life of all; we blossom and
angels adore thee, all veiling their sight; all laud we would

2. Unresisting, unhasstimg, and silent as light, nor
glorious, the Ancient of Days, all
mountains high soaring above thy
flourishing as leaves on the tree, and
render: O help us to see 'tis

3. To all, life thou givest, to both great and small; in
light inaccessible hid from our eyes, most blessed, most
waning, nor wasting, thou rulest in might; thy justice like
all life thou livest, the true life of all; we blossom and
angels adore thee, all veiling their sight; all laud we would

4. Thou reignest in glory; thou dwel lest in light; thine
glorious, the Ancient of Days, all
mountains high soaring above thy
flourishing as leaves on the tree, and
render: O help us to see 'tis

mighty, victorious, thy great name we praise.
clouds which are fountains of goodness and love.
withered and perish, but naught changeth thee.
only the splendor of light hideth thee.
