Immortal, Invisible, God Only Wise

1. Immortal, invisible, God only wise, in light invisible, hid from our eyes, most blessed, most glorious, the Ancient of Days, all mighty, victorious, thy great name we praise.

2. Unresisting, unhasiting, and silent as light, nor wanting, nor wasiting, thou rules in might; thy justice like mountains high soaring above thy waters which are fountains of goodness and love.

3. To all, life thou givest, to both great and small; in all life thou livest, the true life of all; we blossom and angels adore thee, all veiling their sight; all laud we would render. O help us to see it.

4. Thou reignest in glory; thou dost rest in light; thine might and our eyes, most blessed, most like. God's name we praise. What changes, saith the Lord, and the splendor of light hideth thee.
