Happy the Home When God Is There

1. Happy the home when God is there,
   and love fills every breast; when one their prayer, and
   one their heavenly rest.

2. Happy the home where Jesus' name
   is sweet to every ear; where children early speak his fame, and
   and one their heavenly rest.

3. Happy the home where prayer is heard,
   this blessed peace to gain; where parents hold him dear.
   and all its wisdom prize.

4. Lord, let us in our homes agree
   and unite our hearts in
   love to thee, and love to all will reign
   parents prize.
