Come, Holy Ghost, Our Hearts Inspire

1. Come, Holy Ghost, our hearts inspire, let us thine in influence prove; source of the old prophetic fire, fountain of life and love.
2. Come, Holy Ghost (for moved by thee the prophets wrote and spoke), unlock the truth, thy self the key, unseal the sacred book.
3. Expand thy wings, celestial Dove, brood spirits move, and let there now be light.
4. God, through the Spirit we shall know if saints below, the depths of love divine.
