Jesus, Joy of Our Desiring

1. Jesus, joy of our desiring, holy wisdom, love most bright; drawn by thee, our souls as peace-ful mu-sic rings; where the flock, in thee con-

pi-ring soar to un-cre-at-ed light. Word of fi-ding, drink of joy from death-less springs. Theirs is

pi-ning, striv-ing still to truth un-
trea-sure. Thou dost e-ver lead thine

God, our flesh that fa-shioned, with the fire of life im-beau-ty's fair-est plea-sure; theirs is wis-dom's ho-liest pas-sioned, striv-ing still to truth un-

known, soar-ing, dy-ing round thy throne.
