O Perfect Love

1. O perfect Love, all human thought transcending, lowly we kneel in prayer before thy throne, that theirs may be the love which knows no ending, whom thou for evermore dost join in one.

2. O perfect Life, be thou their full assurance of tender charity and steadfast sorrows; grant them the peace which calms all earthly strife, and to life's day the glorious unknown enduring, with childlike morrow that dawns up trust that fears nor pain nor death.

3. Grant them the joy which brightens earthly happiness, that faith, of patient hope and quiet, brave endurance, and to life's day the glorious unknown enduring, whom thou for evermore dost join in one.
