Joyful, Joyful, We Adore Thee

1. Joyful, joyful, we adore Thee, God of glory,
2. All Thy works with joy surround Thee, Earth and heaven receive,
3. Thou art giving and forgiving, Ever bless and sing,

Lord of love; Hearts unfold like flow'rs before Thee,
Lect Thy rays, Stars and angels sing around Thee, ever blest,
Well-spring of the joy of living, O'er the earth and sea,

Op'ning to the sun above, Melt the clouds of sin and sadness,
Center of broken praise. Field and forest, Christ our Brother,
Ocean-depth of happy rest! Thou our Father. All who live in love are Thine,

Singer of immortal gladness, Singing bird and flowing fountain
Teach us how to love each other,

Fill us with the light of day! Call us to rejoice in Thee.
Lift us to the joy divine.
