O Jesus, I Have Promised

1. O Jesus, I have promised To serve Thee to the end; Be Thou forever near me, My Master and my friend; I shall not fear the battle If Thou art by my side, Nor wonder from the pathway If Thou wilt be my guide.

2. O Jesus, Thou hast promised To all who follow near; That where Thou art in glory, There I see the sights that dazzle, The temp'ring sounds I hear; My foes are ever murmurs of self-will. O speak to res as promised To serve Thee to the end; O near me, Around me and within; But, sure me, To hasten or control! O

3. O let me feel Thee near me! The world is ever still, Above the storms of passion, The shall Thy servant be; And, Jesus, I have promised To serve Thee to the end; Nor near me, Around me and with in; But, sure me, To hasten or control! O

4. O let me hear Thee speaking In accents clear and end; Be Thou for ever near me, My Master and my friend; I shall not fear the battle If Thou art by my side, Nor wonder from the pathway If Thou wilt be my guide.
