Immortal, Invisible, God Only Wise

1 Immortal, invisible, God only wise, in light inaccessible hid from our eyes, most blessed, most glorious, the Ancient of Days, mightily, victoriously, your great name we praise.

2 Unresting, unhasting, and silent as light, nor wanting nor wasting, you rule day and night; your justice like mountains high soaring above, your clouds which are fountains of goodness and love.

3 Life giving Creator of both great and small, of angels adore you, all veiling their sight; our all life the maker, the true life of all; we blos som, then with er like leaves on the tree, but you are forever, who was and will be.

4 We worship before you, great Father of light, while we an gels adore you, all veiling their sight; our most glorious, the Ancient of Days, mightily, victoriously, your great name we praise.
