Sunlight

1. I wandered in the shades of night, Till Jesus came to me,
   And with the sunlight of His love Bid all my darkness flee.
   Sunlight, sunlight in my soul today, Sunlight, sunlight
   all along the way; Since the Savior found me
   Took away my sin, I have had the sunlight of His love within.

2. Though clouds may gather in the sky, And breezes round me roll,
   However dark the world may be, I've sunlight in my soul.
   Sunlight, sunlight in my soul today, Sunlight, sunlight
   all along the way; Since the Savior found me
   Took away my sin, I have had the sunlight of His love within.

3. While walking in the light of God, I sweet communion find;
   And in the sunlight of His love I reap the golden grain.
   And with the sunlight of His love Bid all my darkness flee.
   Sunlight, sunlight in my soul today, Sunlight, sunlight
   all along the way; Since the Savior found me
   Took away my sin, I have had the sunlight of His love within.

4. I cross the wide-extended fields, I journey o'er the plain,
   Behold the brightness of His face, Thro' out eternity.
   Sunlight, sunlight in my soul today, Sunlight, sunlight
   all along the way; Since the Savior found me
   Took away my sin, I have had the sunlight of His love within.

5. Soon I shall see Him as He is, The light that came to me.
   Since the Savior found me
   Took away my sin, I have had the sunlight of His love within.
