Sunlight

1. I wandered in the shades of night, Till
   Jesus came to me, And
   with the sunlight of His love Bid all my darkness flee.
   Sunlight, sunlight in my soul today;
   Took away my sin, I have had the sunlight of His love within.

2. Tho’clouds may gather in the sky, And
   billows round me roll, How
   ever dark the world may be, I’ve sunlight in my soul.
   all along the way; Since the Savior found me

3. While walking in the light of God, I
   sweet communion find; O
   press with holy vigor on, And leave the world behind.
   Since the Savior found me

4. I cross the wide-extended fields, I
   journey o’er the plain, And
   in the sunlight of His love I reap the golden grain.
   all along the way; Since the Savior found me

5. Soon I shall see Him as He is, The
   light that came to me, Be
   hold the brightness of His face, Thro’out eternity.
   Took away my sin, I have had the sunlight of His love within.
