

Life for the body

Unknown Composer

**Life for the body thro' His blood,
Saved in our spirit, body, soul;
Christ did not die to save a part,
But has redeemed and claims the whole.**

Refrain

*Take life from Jesus every-day,
Trust in His promise and obey;
Receive His strength from day to day,
Praise Him thro'-out our pilgrim way.*

**Life for the body thro' His word,
That word which speaks in living pow'r;
That word which form'd the worlds of space,
Can give to us new life each hour.**

Refrain

**Life for the body from above,
Life thro' the Spirit's quick'ning breath;
Healed by the resurrection life
That raised our blessed Lord from death.**
