

# Lord Be with Us We Need Thee

E. Gebhardt

**Lord, be with us, we need Thee -  
Direct our thoughts we pray;  
With Thy wise counsel guide us  
Along Thy chosen way.**

**Help us to show to others  
That we can rise above  
All hindrances to blessings,  
Exhibiting Thy love.**

**Our minds bring into union,  
Our lives warm with Thy love;  
Our lives fill with Thy Spirit, -  
Revive us from above.**

**Pour out on us Thy blessings  
Of Thine abundant grace;  
Thyself, and Thy will for us,  
May we with joy embrace.**
