

Everything's alright in the Father's house

B. B. McKinney

Everything's alright in the Father's house,
In the Father's house,
In the Father's house,
Everything's alright in the Father's house,
In the Father's house,
In the Father's house.

We are all at home in the Father's house ...

We have perfect peace in the Father's house ...

We are loving God in the Father's house ...

We smile all day long in the Father's house

We are satisfied in the Father's house

We love Jesus Christ in the Father's house

Bring Your children back to the Father's house ...
