1. Far, far, o - ver the sea, Na - tions wait in ag - o - ny; Come, come,
2. Far, far, o - ver the sea, Souls la - ment sin's tyr - an - ny; Fly, fly,
3. Far, far, o - ver the sea, Bring sweet an - swer to their plea; Ring, ring,

o - ver the sea, Bring the light, let dark-ness flee. Dark the sha - dows round them fall,
o - ver the sea, Bring the Gos - pel, set them free. Chained by sin in dun - geons vile,
o - ver the sea, Loud the notes of Ju - bi - lee. Gos - pel light brings full re - lease,

Gloom and hor - ror co - ver all; Vain - ly grope their souls for light,
Scourged by pas - sions fierce the while; Vexed by su - per - sti - tion's blight,
Cries of pain shall end in peace; Prayer and song shall soon re - sound

Refrain

Hope ne'er cheers their ray - less night.
Vain their trust in e - vil rite. Far, far, o - ver the sea, Na-tions wait in ag-o - ny;
All the joy - ous earth a - round.

Come, come, o - ver the sea, Bring the light, let dark-ness flee.
