

The Children's Psalm

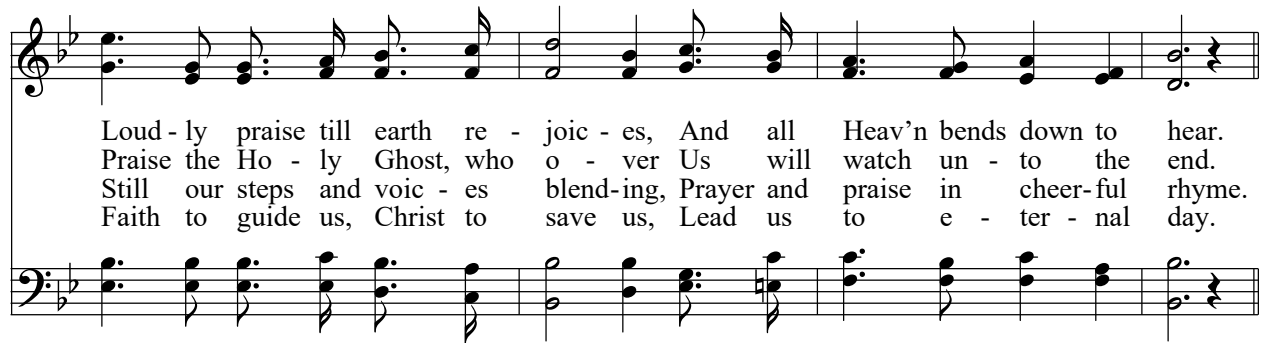

Peter Simcoe Morton Munro, 1892

Theodore Edson Perkins, 1893

♩=103 Spirited

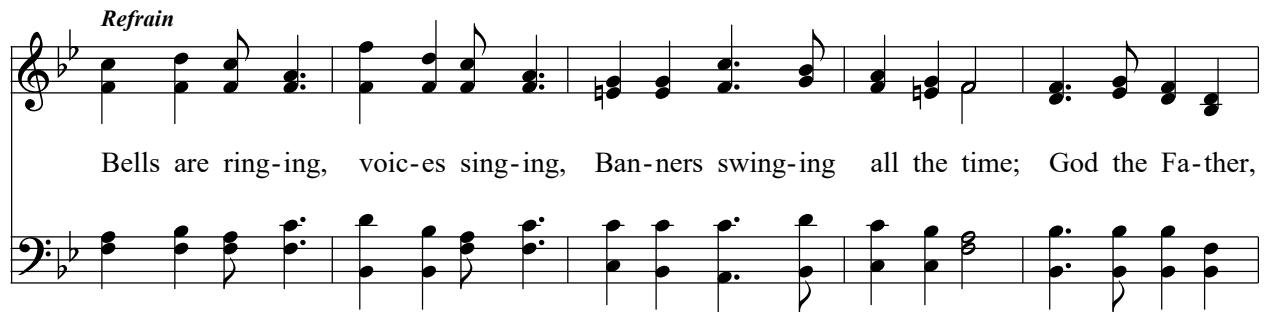

1. Praise the Lord with hearts and voices, Sing, O children, far and near;
2. Praise the Father—God Je-ho-vah! Praise the Son—our Savior, friend!
3. Up the hills of life ascend— Oh, the many hills to climb;
4. Hope her boughs of palm to wave us, Love to cheer the dark-ened way;

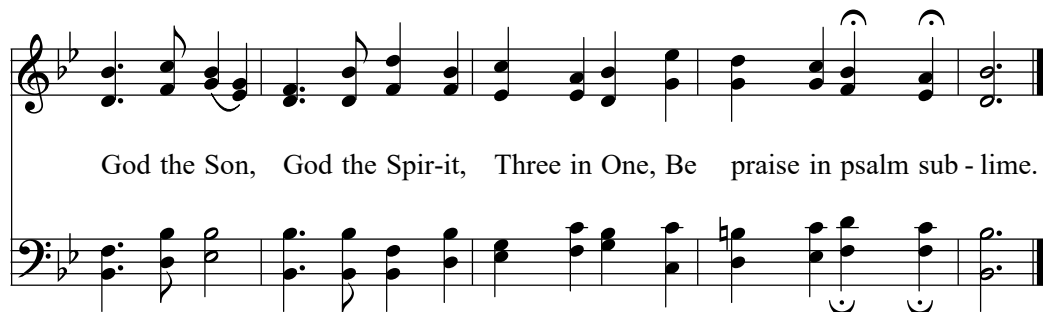

Loud-ly praise till earth re-joic-es, And all Heav'n bends down to hear.
Praise the Ho-ly Ghost, who o-ver Us will watch un-to the end.
Still our steps and voices blend-ing, Prayer and praise in cheer-ful rhyme.
Faith to guide us, Christ to save us, Lead us to e-ter-nal day.

Refrain

Bells are ring-ing, voices sing-ing, Ban-ners swing-ing all the time; God the Fa-ther,

God the Son, God the Spir-it, Three in One, Be praise in psalm sub-lime.
