Awake my Soul and with the Sun

1. Awake my Soul and with the Sun,
   Wake swallow the darkness.
   Let the Sun shine its power,
   Let the Soul emerge from darkness.

2. Let the Soul shine its light,
   Let the world see its beauty.
   Let the Sun warm the earth,
   Let the Soul shine its light.

3. Let the Sun rise in the east,
   Let the Soul rise with the sun.
   Let the world bask in its light,
   Let the Soul rise in the east.

4. Let the Soul rise in the east,
   Let the Sun rise with the sun.
   Let the world bask in its light,
   Let the Soul rise in the east.

5. Let the Soul rise in the east,
   Let the Sun rise with the sun.
   Let the world bask in its light,
   Let the Soul rise in the east.
