1. Let us do some-thing for oth-ers, Mo-ments are pass-ing a - way;
2. O we can find, if we're ear - nest, Ma - ny in need of our care,
3. Let us keep pray - ing and help-ing Oth-ers as con-qu'rers to rise;

Je - sus will bless all those in dis-tress, If they come to - day;
And we can light those liv - ing in night, Lured by Sa - tan's snare!
Je - sus de - mands true hearts, will-ing hands, May we then be wise;

O, there are ma - ny a - bout us, Liv - ing in dark - ness and sin
Let us not go emp - ty hand-ed Un - to our Sav - ior and Lord,
And when our work here is end - ed, Safe on the heav-en - ly shore,

That we could help to the Sav - ior, Life and its bless-ings to win!
And we'll not be dis-ap - point-ed, When we re - ceive our re - ward.
With those we've helped to the Sav - ior, Joy shall be ours ev - er - more.

Refrain

Help them, help them, That they their Sav-ior may
Help them to Je-sus, oh! show them the way, their

see; Help them, help them— What a re-joic-ing there'll
Sav-ior may see; Help them to Je-sus, oh! help them to-day,

be! And when our war-fare is ov-er, We shall with loved ones sit down,
there will be!

Shar-ing the glo-ries of Hea-ven, Wear-ing a beau-ti-ful crown.
