1. When morning gilds the sky, our hearts awakening cry:
   May Jesus Christ be praised! in all our work and prayer
   May Jesus Christ be praised! in all our work and prayer
   May Jesus Christ be praised! in all our work and prayer
   May Jesus Christ be praised! in all our work and prayer
   May Jesus Christ be praised! in all our work and prayer

2. To God, the Word on high, the hosts of angels cry:
   Let mortals too upraise
   Let mortals too upraise
   Let mortals too upraise
   Let mortals too upraise
   Let mortals too upraise

3. Let earth’s wide circle round in joyful notes resound:
   Let air and sea and sky
   The night becomes as day
   Be this the eternal song
   Be this the eternal song
   Be this the eternal song

4. Be this, when day is past, of all our thoughts the last:
   We ask his loving care: May Jesus Christ be praised!
   From depth to height reply: May Jesus Christ be praised!
   When from the heart we say: May Jesus Christ be praised!
   Through all the ages long: May Jesus Christ be praised!
   Through all the ages long: May Jesus Christ be praised!
   Through all the ages long: May Jesus Christ be praised!

5. Then let us join to sing to Christ, our loving King:
   Their voice in hymns of praise: May Jesus Christ be praised!
   When from the heart we say: May Jesus Christ be praised!
   Through all the ages long: May Jesus Christ be praised!
   Through all the ages long: May Jesus Christ be praised!
   Through all the ages long: May Jesus Christ be praised!
   Through all the ages long: May Jesus Christ be praised!
