Guide Me, O My Great Redeemer

1 Guide me, O my great Redeemer, pilgrim through this barren land; I am weak, but you are mighty;

2 Open now the crystal fountain, where the healing waters flow. Let the fire and cloudy pillar fears subside. Death of death, and hell's Destruction,

3 When I tread the verge of Jordan, bid my anxious gaze subside. Death of death, and hell's Destruction,

4 Hold me with your powerful hand. Bread of heaven, lead me all my journey through. Strong Deliverer, bread of heaven, feed me now and evermore.

5 Let me now and evermore. Shield, ever be my strength and shield. You, I will ever sing to you.
